It's time that decent, law-abiding, hard-working Brits had their voices heard!

ENGLAND FOR THE ENGLISH

The English are a great people with a great history. We gave the world parliamentary democracy and spread civilisation to every corner of the globe . England helped to stamp out slavery , ga ve birth to the industrial revolution and forged the nations of America, Canada, Australia and New Zealand.

Our literature, architecture, sports, politics, language, monarchy and way of life are enjoyed by tens of millions worldwide.

But England is being dismantled by the political and media elite. Our heritage and culture are suppressed, our towns and cities are flooded with immigrants , the EU makes 80% of our laws and political correctness makes us second class citizens in our own land. **Britain First is campaigning to put English people FIRST in England!**

MAKE ST. GEORGE'S DAY A PUBLIC HOLIDAY

St. George's Day is a time when all English people can be proud of their heritage and celebrate their history and culture . School children are forced to lear n about Islam, Diwali, Chinese New Year and Black History Month, **but St. George' s Day celebrations do not feature in many of our schools.**

It is about time that the people of England celebrated their native identity without being called nasty names, like 'racist'. **It is also time that England had an equal voice in the UK with its own parliament.**

Virtually every other country in the world is left alone to celebrate their native culture and traditions without fear of persecution or bias from their own governments.

This is our country and we want it back!
